## 1-Hydroxycyclohexyl phenyl ketone

### Specification Sheet

|                   |                                                                               |
|-------------------|-------------------------------------------------------------------------------|
| Product           | : 1-Hydroxycyclohexyl phenyl ketone                                           |
| Code              | : 2914.70.00                                                                  |
| Chemical Name     | : 1-Hydroxycyclohexyl phenyl ketone                                           |
| Synonyms          | : CPK PI-184 1-Hydroxycyclohexylphenyl ketone Hydroxycyclohexyl phenyl ketone |
| CAS No.           | : 947-19-3                                                                    |
| Molecular Formula | : C <sub>13</sub> H <sub>16</sub> O <sub>2</sub>                              |
| Molecular Weight  | : 204.28 g/mol                                                                |
| Density           | : 1.1 g/cm <sup>3</sup>                                                       |
| MeltingPoint      | : 48-50°C                                                                     |

#### No. CORE TESTS SPECIFICATION

- 1 Appearance : White crystalline powder
- 2 Packaging : Available in various packaging formats suitable for industrial use.

#### SHELF LIFE

2 years

The information and data contained herein are believed to be accurate but may not be all inclusive and should only be used as a guide. The information is furnished upon the condition that the person receiving it shall make his own determination of the suitability of the product for his particular use and on condition that they assume the risk of the use thereof.
